

1. AT8236_Dual DC Motor Drive Module(standard version)

Tech specs	Parameters
Input Voltage recommended	5-12v
DC Current for 5v Pin	3A
DC Current for 3.3v Pin	500ma
Continuous driving current of single motor	Default 2A (maximum output 4A)
Length*Width	65*56mm
Motor interface	PH2.0-6P
